

Toddler Two October Newsletter

During the month of October, our theme was fantastic fall! The children enjoyed learning the four seasons, learning that fall and autumn are the current season, and learning the colors of fall. As well as learning during fall "All the leaves fall off the trees" which we practiced every day during circle time and even motioned the ASL sign for leaves and trees. We are also learning our alphabet in sign language. The children enjoyed doing many fall themed projects such as, a fall collage, leaf tracing, leaf collage, fall color collage, raking leaves, fall leaf workbook, and learning what to associate with fall; acorns, leaves, scarecrows, pumpkins, and the holidays we celebrate during fall. We focused on Halloween for the past two weeks. We did different art activities to make the room spooktacular. From egg carton spiders to bats, spider webs, and jack-o-lanterns the children really enjoyed transforming the room! The children even practiced their TRICK OR TREAT and received a lollipop! We continued to practice our basic math, full name, and addresses this month as well. The children continue to do a great job with potty training. Participation with Spanish and sign language has been evident and the effort has really shown this past month. Thank you to all parents who continue the practice at home.

For the month of November our theme will be community helpers. We will be focusing on a different helper each day from doctors and dentists to teachers and firefighters; the children will learn about the many professions that help our community in a big way. We will be doing different projects from counting fire trucks and practicing our stop, drop, and roll; to making a doctor collage and mailing a letter home. During November we will continue to talk about fall and focus on Thanksgiving the week of the 21st-25th. We will talk about what being thankful means and what we are thankful for such as family and friends! We will also continue the progress of Spanish and Sign Language. We look forward to another fun filled month.

Toddler two would like to welcome a new friend and teacher to the room. Michael joined us this month as well as Mrs. Monique. Toddler two would like to welcome them to our class and we look forward to working with them and building a great friendship.

Thank you, Ms. Shana
